## **1 Why talking to cops is always a bad idea**

This is a paper based on the YouTuber's, Viki1999, video by the same title. The judicial system in the US is complicated and unjust. There are many types of courts and crimes. Most people do not understand how all this works. Cops can use this fact to their advantage. There is also the ideal way the Judicial system should work (the way most people think it works), then there's the way it actually works.
